  - i. If yes, please explain:
6. Is your dog up to date on all vaccinations? Yes\_\_\_ No\_\_\_ Please provide up to date records of Bordetella, distemper and rabies shots. The Bordetella must be in your pets system for at least 7 days prior to any services.

## Discussion Points

- Our drop off hours for daycare are between 7-9AM. Big dog daycare is offered Monday thru Saturday and Small Dog Daycare is offered Monday thru Friday. Appointments are required.
- All dogs must be at least 12 weeks of age or older.
- All dogs 6 months or older must be spayed or neutered.
- We use water bottles for corrections in case the class gets out of hand.
- We also have two holding areas set up for time-out purposes. If anyone gets too rowdy, they will be put up for a short time until they calm down.
- There is always a supervisor (many times two) in each group. They are to make sure everyone plays nice and is properly cared for. We do allow wrestling and tumbling, within reason. It is not uncommon for small scratches and cuts to occur, especially if your dog likes to wrestle.
- We use disinfectant on all play surfaces and equipment. All dogs are required to be current on vaccinations. We go to great lengths to maintain a safe and sanitary play environment, however, there is still a risk that your dog can contract an illness while interacting with other dogs.
